

Add the Zoom Tool to a Course

NPS Instructors can add the Zoom tool to their own Sakai courses using the Zoom LTI tool. Please follow these instructions to add the Zoom tool to your course menu.

1. Open Site Info in the course where you want to add the tool
2. Click on Manage Tools
3. Scroll to the bottom the page to find "External Tools." Click to drop the menu down.
4. Put a check mark in the box to add the Zoom tool.
5. Click on Continue and Finish to save.

Your browser does not support the HTML5 video element
