

# Welcome to Fall 2020!

If this is your first quarter as a student or faculty we wish you all the best! Some good things to remember as you make your way around the Sakai portal:

1. If you can't find your course, check in the "Sites" block in the upper right corner. You can adjust your favorites there as well.
2. **Faculty:** Don't forget to update the Overview and publish your course for student view!
3. Check the Overview in your **Home area** for important CLE updates and messages.
4. Check for [FAQs and tutorials](#) in [wiki.nps.edu](http://wiki.nps.edu) and even more resources in <https://my.nps.edu/group/mynps/>
5. We aren't updated on individual adds and drops, so let us know if you need to be added to a course, or if you have new students that aren't on your roster.
6. Don't forget the myriad of resources at your disposal for both students and faculty. We are here to help you succeed!
