

Instructors - Want to Learn More About Lessons in Sakai?

My dear friend and colleague, [Ana Eckhart](#), (Faculty Associate for Instructional Design & Technology for GSDM) created a really good four-minute introduction to the Lessons tool in Sakai. If you've been putting off looking into Lessons and are curious, please watch!

Your browser does not support the HTML5 video element

If you want to know more about how use and incorporate the Lessons tool in your Sakai course, please let me know! As always you can contact me at acfer_tig@nps.edu or 831-656-2176.
