Using Groups and Joinable Sets

In this video we'll talk about how to apply groups to four Sakai tools: Resources, Tests & Quizzes, Assignments, and Lessons. This is a long video, so here are the timestamps for those sections:

0:00 - Intro and review of Groups and Joinable Sets
1:00 - Using Groups in Resources
2:33 - Using Groups in Tests and Quizzes
4:00 - Using Groups in Assignments
5:15 - Caution!
6:20 - Using Groups in Lessons
